PENDULUM RESOURCES WINS SECOND ARMY SUPPORT SERVICES CONTRACT

ROCK ISLAND, IL. Pendulum Resources LLC (<http://www.pendulumsite.com>) announced today that it has been selected to provide Support Services for the U. S. Army Sustainment Command (ASC) Headquarters, Army Field Support Brigades (AFSB), Army Field Support Battalions (AFSBn), and Logistic Support Elements (LSE). Locations that are supported include Fort Benning, GA; Fort Bragg, NC; Fort Campbell, KY; Fort Drum, NY; Fort Knox, KY; Fort Polk, LA; Fort Stewart, GA; Fort Bliss, TX; Fort Carson, CO; Fort Hood, Texas; Fort Riley, KS; Fort Sill, OK and HQ, ASC, Rock Island Arsenal, Illinois. Pendulum Resources is supported in this effort by its subcontractor, Honeywell Technology Solutions Inc. (HTSI). This is the second contract to provide support services to ASC which was won in the final quarter of FY2009.

The \$14.8 million-dollar contract provides the Army with logistics management, administrative data management and supply inventory specialist in support of the Army Materiel Command/Army Sustainment Command missions and expanding operational requirements generated by the Army's modularity and transformation initiatives. The ASC, AFSB, AFSBn and LSE offices are the focal points for the AMC activities in support of the Global War on Terrorism, Operation Iraqi Freedom, Operation Enduring Freedom and domestic and international contingencies.

Al Kruse (COL, USA Ret), Program Manager for the effort said, "Pendulum Resources is pleased to have been selected to provide support to the Army Sustainment Command and pleased to team with Honeywell Technology Solutions Inc.(HTSI), logistics experts with years of ASC experience. We believe our team and capabilities are well suited to meet the needs of ASC."

Pendulum Resources LLC, a Service Disabled Veteran Owned Small Business (SDVOSB), was created in 2004. Headquartered at Rock Island, IL, Pendulum Resources also has offices in Charlestown, IN and San Antonio, TX. Pendulum personnel have been providing similar services to military and private customers throughout the US.

The US Army Sustainment Command (<http://www.aschq.army.mil>) provides sustainment level logistics by synchronizing Acquisition, Logistics and Technology support from the strategic through the operational to the tactical level.
