PENDULUM RESOURCES OPENS HUBZONE OFFICE

ROCK ISLAND, IL. Pendulum Resources LLC (<http://www.pendulumsite.com>), a service disabled, veteran owned small business, announced today that it has opened an office at 1607 2nd Avenue in Rock Island. Pendulum holds service support contracts with the Army Sustainment Command and with the Installation Management Command of the US Army.

Al Kruse (COL, US Army Ret), of Pendulum Resources, said, "We want to expand our business base and feel it will be advantageous for us to locate in the heart of the City of Rock Island. The benefits of locating in the District of Rock Island include being closer to City and County government decision-makers, locating in a Historically Under-utilized Business Zone (HUBZONE) , and still have easy access to Rock Island Arsenal. We believe this expansion is consistent with Pendulum's mission of helping clients recognize and realize the value of their assets."

The downtown portion of Rock Island has been designated as a HUBZONE. Locating a Small Business in a HUBZONE and employing workers from a HUBZONE provides special incentives to assist Small Businesses in pursuing Government contracts.

Pendulum Resources LLC, a Service Disabled Veteran Owned Small Business (SDVOSB), was created in 2004. Headquartered at Rock Island, IL, Pendulum Resources also has offices in Charlestown, IN and San Antonio, TX.
